

How to Give at NLCC

At New Life we rely on the generous support of our members to carry out the work of our church.

One way you can support New Life is via financial giving. Providing your financial support for New Life helps fund many things, including maintenance of our grounds and facilities, remunerating our staff, and our various programs and ministries. This all goes to help care and support our members, to see that we are all growing in our love, faith and service to Jesus, and also to training and equipping people for ministry. Most importantly your financial support helps to see that New Life continues to be a church reaching out to the lost in our local community with the good news of the Gospel.

In addition to supporting the church, we also encourage you to consider financially giving to outside missions. We believe that reaching the unsaved with the Gospel is of primary importance because Jesus, our Lord and Saviour, has instructed us to do so. The various missions that we support, locally and abroad, align with our values and mission as a church.

To financially support New Life, or the outside missions, you can do so as follows:

- **Direct Deposit:** deposit funds directly into the NLCC bank account. This can be set up as a regular scheduled payment (for your regular support of the church, or an outside mission) or also as a one-off deposit. Please enter a concise reference in the bank transfer e.g. NLCC support, MTS, ZEST etc.

Account Name: New Life Christian Church

BSB: 062 121

Account Number: 0080 0222

- **Cash / Cheque via the Donation Boxes:** on Sundays, you can place your cash donations in one of the labelled boxes located at the side exit of the main auditorium. The boxes are labelled 'Giving to the work of New Life' or 'Giving to the Mission of:...'.

Your financial support is greatly appreciated and enables New Life to continue fulfilling the mission of spreading the love and hope of Christ. Thank you for your continued generosity.
